

First Parish Congregational Church

United Church of Christ East Derry, New Hampshire

We are a community of faith built upon a firm foundation of worship, prayer and education. In affirming diversity, we are dedicated to welcoming all people who seek the Word of God, Christian fellowship and service to others. In partnership with Christ and led by the Holy Spirit, we reach out to the ever-widening community through active and loving ministry.

From the Pastor's Desk

Who is my neighbor?

Dear Child of God,

In Genesis 2 the very first words that God speaks are these: "It is not good for man to be alone." God's first utterance declares that we were created to be in relationship with one another. We were created to thrive in community. The Old Testament is clear about loving God and welcoming the stranger. In the New Testament we are commanded by Jesus in all four Gospels to love our neighbor as ourselves. In Luke 10:29 we read: "But wanting to justify himself, (the lawyer) asked Jesus, "And who is my neighbor?" Will we, too, want to "justify ourselves"? Or will we choose to live as God would have us live - loving and caring for our neighbors?

At First Parish Church our Mission and Outreach Board works diligently to support financially the work of the service organizations in the area. We are so richly blessed and we share our bounty with a multitude of "neighbors" in southern NH. This month's newsletter is dedicated to our neighbors, without whom the lives of so many would be desolate and drab. I encourage you to read about our neighbors and to the best of your ability support them. Offer your time and talent to serve those in need.

Enjoy the rest of the summer!

May God's blessing be poured out richly upon you!

First Parish Congregational Church History

The oldest church in the immediate area, First Parish Church was founded by Scotch-Irish Presbyterians in the spring of 1719. Faith was and continues to be a priority. Worship was held one day after arrival, a church body was organized in one month and a building was built in 1722. A "more imposing structure" replaced the first in 1769, and although altered and expanded through time, the main building and sanctuary remain our center of worship.
