

After much prayerful consideration we have made we will continue worship service online until further notice due to the need for social distancing to try to prevent the spread of the coronavirus.

Our Sunday Schedule- Virtually

Facebook & Zoom Worship begins at 10:00 am followed by Fellowship hour. Join us on Facebook <https://www.facebook.com/fpcucc>. Please contact the office to receive Zoom invitations weekly.

Communion is celebrated on the First Sunday of each month virtually, as well as on Maundy Thursday. It is open to all who seek to follow Christ in their lives.

Baptism is celebrated as part of the Sunday morning worship. We encourage baptism of infants and recognize that this represents a serious commitment by parents to be active and caring members in the local church.

Music is an integral part of our worship experience. Due to the pandemic our choirs are not singing but our chime choir safely rehearses and plays for services.

New Members are received into fellowship twice a year. New members take part in orientation and new member classes in their first year. If you are interested in becoming part of our First Parish family, please contact Pastor Deborah at pastordeborah@fpc-ucc.org!

Worship Service Videos will be available after the Live Stream has completed on our Church's new [Worship Service Page](#).

Christian Education Classes are available for all ages. Christine Lehoullier posted the story, message and a link to the pdf of activities for parents to choose from on Facebook and on our Church's new [Christian Education and Sunday School Page](#). Please let her know if you have any questions- cedirector@fpc-ucc.org. All church groups and Scout meetings (including many recovery group meetings) have been postponed or moved online or to conference calls.

The office will have limited hours. We request that you call ahead and make an appointment to visit as we are limiting the amount of contact. Please call or email us with any questions or concerns.

We appreciate your understanding as we try to do our part to reduce the risk of exposure and spread of the virus. These are trying times for so many. Please know of our care and support. Though we will not gather in person, we will still be together, and find new and meaningful ways to be church.

If you are having a hard time or are concerned about anyone else, please let Pastor Deborah know so that we can support you/them during this time.

Peace and blessings to each of you –
