

**You helped me build a foundation on faith and love,
And taught me to believe in my dreams and God up above.**

**You helped me grow roots to keep me grounded,
And wings to let me fly.**

**I know no matter how old I am,
you'll always dry the tears I cry.**

**Thank you for the gifts you give and for everything you do.
But most of all, no matter how tall I grow, I'll always look up to you.**
