

Light the
Advent Candle
Introduction to
ADVENT

We use the **Advent Wreath** to guide us through this special time. Each week we light one candle to remember the light Jesus brought into the world. The Wreath is a circle to remind us that God's love is never ending

Draw the flames on the Advent candles, and record the correct advent word on each one.

- Week 1:** Purple (HOPE)
- Week 2:** Purple (PEACE)
- Week 3:** Pink (JOY)
- Week 4:** Purple (LOVE)
