Today we will receive a special piece of bread or wafer that reminds us of the special gift Jesus gave each and every one of us because we are loved so much. We say prayers and thank God for this special sacrifice because we are so blessed.

When we eat the bread and drink the juice together we can picture in our mind what Jesus told us to remember to do, "To love God and to love one another as Jesus loved us above all other things in this whole wide world!" That's how special we are to him and to God!

We can also picture all the wonderful things we are blessed with and be thankful for those things, as well as, pray for anyone who may not feel loved or who might feel sad or lost, that they may also feel that special love from God.
